BE BRAVE, EXPLORE BRAVELY

ARCANE WARRIOR is born from respect for courage. True adventure begins with fearlessness and grows with every step forward. Whether on rugged mountains, roaring rivers, vast plains, or under endless stars, we want you to feel the thrill of facing nature side by side with ARCANE WARRIOR.

Courage is more than a spirit—it is a way of life. It drives us to break limits, embrace adventure, and enjoy pure freedom. We are the warriors of our own lives, constantly pushing beyond ourselves. Setting out gives life meaning, and the journey makes it brilliant and unforgettable.

May the spirit of ARCANE WARRIOR inspire you, giving courage and passion again and again.

Tribute to the unyielding will of life, the undying courage and passion, and the immortal dream of heroes.

Let's bravely embrace the world together!

· Co created the "CROSSING" Collection with Toyota.

· In April, the second Warrior Roundtable was successfully held

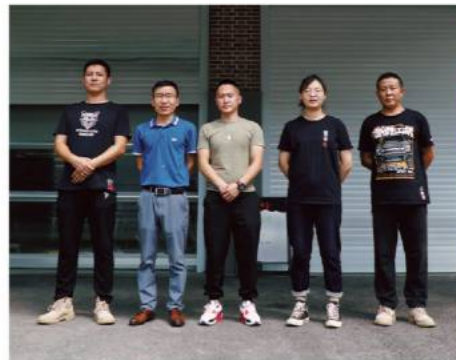

· Co created the Mountain Legend Collection with Denza

2025

· In February, the first car outdoor lifestyle store opened in Wenzhou

· In April, signed a partnership with Disney

· In June, sales hit a new high, ranking first in three major platform categories

BE BRAVE, EXPLORE BRAVELY

ARCANE WARRIOR was founded in 2020 by Gu Qi, aka ID Offroad Rookie, an experienced off road enthusiast and travel photographer. The brand celebrates outdoor adventurers who, like warriors, are brave, strong, and passionate.

ARCANE WARRIOR defines car outdoor adventures, pioneering a new field. We focus on designing and developing automotive outdoor gear, providing enthusiasts with professional equipment to expand vehicle capabilities and enhance outdoor experiences.

Our products are organized into Vehicle Expansion Systems, Vehicle Storage Systems, Car Camping Systems, Outdoor Storage Systems, Outdoor Recovery Systems, Apparel & Accessories, and Lifestyle Merchandise. They currently cover mainstream off road vehicles, SUVs, and pickup trucks, with a focus on expanding outdoor applications for new energy vehicles.

We have introduced a new automotive lifestyle concept, blending fashion and innovation to appeal to young enthusiasts who value individuality. ARCANE WARRIOR's range now spans from outdoor gear to trendy lifestyle products.

ARCANE WARRIOR will expand its product range, integrating culture and aesthetics to give automotive outdoor enthusiasts a better experience and a more enjoyable lifestyle.

We are committed to becoming a world class Chinese original outdoor brand.

OUR PARTNERS

Our partners

We have partnered with many brands on projects that explore the boundaries of wilderness and city life. We use our gear to redefine the possibilities of car outdoor adventures together.

BYD

Jeep

Focused on Automotive Outdoors

ARCANE WARRIOR links vehicles to all outdoor adventures, turning cars from transport into lifestyle. Modular solutions for offroad, SUV, pickup, and travel vehicles let you carry gear for cycling, fishing, paddleboarding, or road trips. We provide full automotive outdoor solutions for every outdoor scenario.

► Co Created with Denza

In early 2024, we co created with BYD and Denza, launching the Mountain Legend and DenzaT13 custom designs. Each project reflects ARCANE WARRIOR's "Trendy Outdoor Co Creation," blending new energy tech with outdoor lifestyle to make every vehicle line a statement for young adventurers.

Eight-City Roadshow

► **Co created with Marvel**

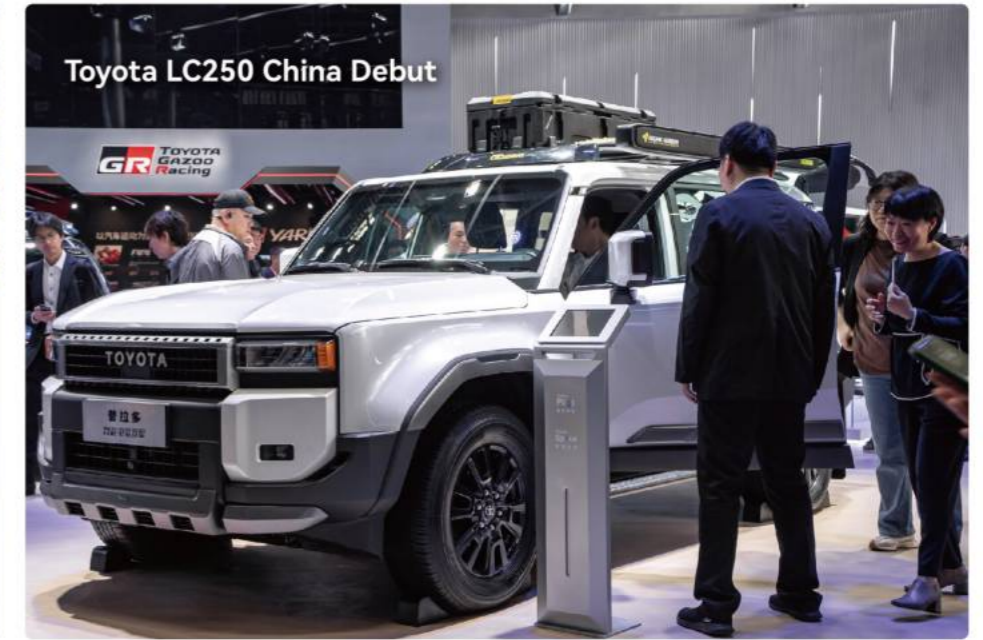

In April 2025, we became the world's first automotive outdoor brand authorized by Disney Marvel, launching the "I'M IRON MAN" FLEX Rugged Cargo Case—the first Marvel automotive outdoor product from ARCANE WARRIOR.

Empowering outdoor adventures with Iron Man's spirit of technology, the launch sparked a wave of excitement, turning every journey into a superhero's adventure. More Marvel limited edition gear will follow.

► Co created with Toyota

Aligning with the Toyota LC250's spirit of exploration and outdoor focus, we presented the CROSSING Collection at its launch as a partner brand, providing tailored gear for off road adventures.

► Co created with GWM

In close partnership with GWM, as a member of the GWM Co Creation Center, we co created the LETS TANK car club with the Tank brand, using hardcore off road as the link to build an outdoor lifestyle ecosystem. Each collaboration writes a new chapter of the "Off Road Roadbook" together with GWM.

SPONSORSHIP

Sponsored Event

ARCANE WARRIOR, deeply rooted in automotive outdoor culture, moves with the rhythm of the adventure community.

We stay close to the real needs of every road trip, listening to feedback from the adventure community. Through offline events, we create spaces for enthusiasts to share gear tips and route insights, providing the right equipment for every journey into nature.

OFFICE ENVIRONMENT

Office Environment

In July 2024, ARCANE WARRIOR's global headquarters opened in Danyang, Jiangsu. Focused on gear that understands your outdoor needs, it combines R&D and real-world testing to deliver true performance.

This marks a key step in delivering reliable automotive outdoor gear that meets your needs. By August 2025, our team grew to over 50 people, all working with expertise and practicality to get gear performance and fit just right.

Nationwide Store Network

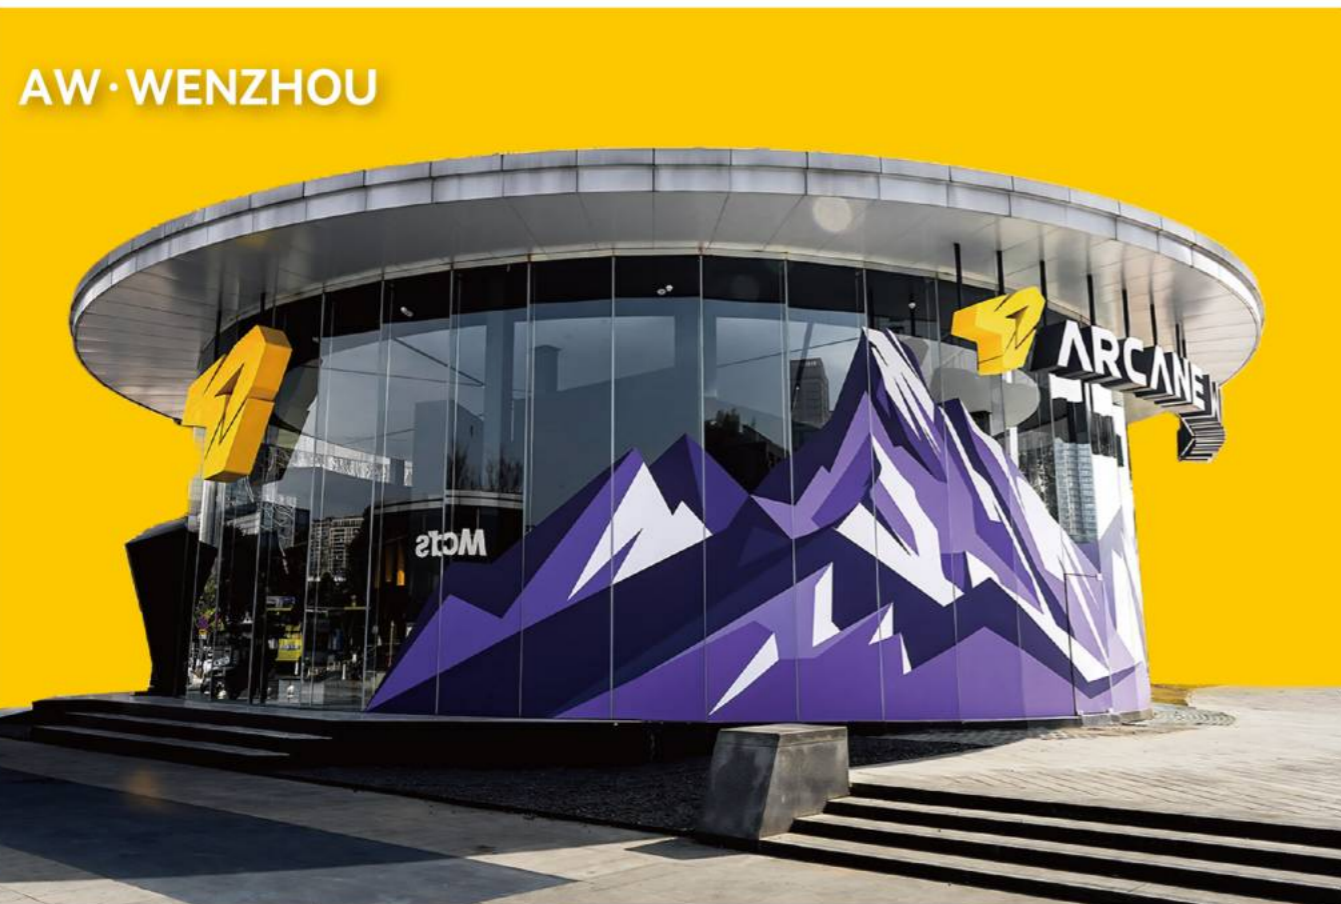

Coverage extends to all provincial capitals and key travel hubs, with nationwide warranty and coordinated brand presence.

FLAGSHIP STORES

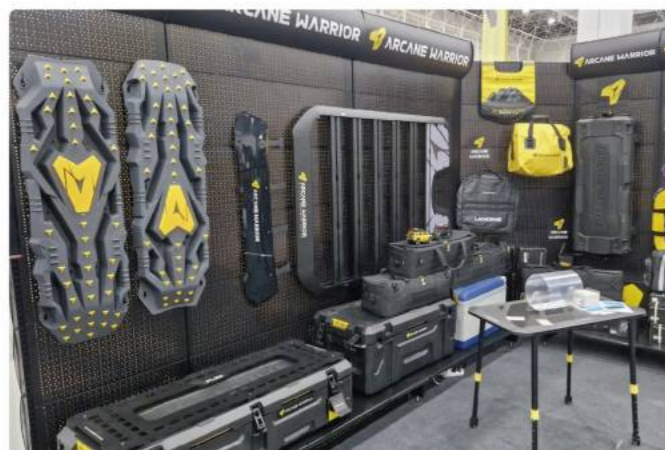

Flagship Store Presence

ARCANE WARRIOR elevates its nationwide stores with lifestyle-driven spaces. Wenzhou launched China's first "Auto Lifestyle Space," and stores in Beijing, Guangzhou, Hangzhou, and beyond follow, creating hubs for outdoor gear. From roof cargo cases to camping awnings, each store offers a one-stop experience, making gear easy to access and outdoor adventures effortless.

Countries with Global Presence

Our business now spans 19 countries with 13 main distributors and over 20 regional agents.

34 Patents

34 product patents secured and 7 pending, including 1 international patent, covering design, structure, and technology.

VEHICLE LINEUP

Vehicle Lineup

► Rugged Vehicles

Rugged vehicles are a favorite for outdoor enthusiasts, and ARCANE WARRIOR gear extends their capabilities. Our roof rack accessories combine durability and flexibility, use high-strength materials, and fit precisely with the vehicle's structure. A wide selection lets users customize their setup for seamless integration with their vehicle.

► Urban Vehicles

From rugged SUVs to EVs, pickups, and wagons, ARCANE WARRIOR believes every vehicle carries your outdoor dreams.

Our tailored gear expands adventure: roof racks add space, cargo cases store essentials, and camping awnings create your outdoor world.

Not defining your journey, just giving you choices—whether near the city or deep in the wild.

► Pickup Vehicles

ARCANE WARRIOR provides a full accessory system for pickups, from basic mounts to advanced extensions. Designed to fit the original structure, they install without modifications and boost cargo capacity and versatility.

► Marvel Products

From screen to reality, owning your first official Marvel automotive gear is more than a collectible. It symbolizes becoming your own hero. Whether outdoors or on your daily commute, it announces your Marvel moment.

IRON MAN SERIES

Iron Man Series

Turn your roof into an Iron Man energy stronghold and start a hero journey like no other. This time, ARCANER WARRIOR brings cutting-edge technology into outdoor exploration, transforming every roof into a mobile power core. In the Marvel universe, Tony Stark forges the Iron Man armor with intelligence and courage to face the unknown.

This collaboration is a true fusion of hero spirit and lifestyle gear. Every design detail pays tribute to the Iron Man legacy.

FLEX GERA BOX Rugged Cargo Case Iron Man Limited Edition

FLEX Rugged Cargo Case is rugged gear built for real adventures. Durable and compatible with multiple vehicles, it carries all your camping and travel essentials while delivering Iron Man-level safety and tech. Owning your first official Marvel automotive gear is more than a collectible. It symbolizes becoming your own hero and marks your Iron Man moment.

► Honoring the Legend Empowering Adventure

When technology meets heroism, ARCANE WARRIOR chose Iron Man to lead the next generation of outdoor gear. This is more than an IP collaboration and is the ultimate tribute to Tony Stark's spirit of turning the impossible into the everyday. He is Marvel's tech visionary. From the first arc reactor in a cave to advanced nanotech armor, each upgrade pushes the limits of imagination.

Limited Iron Man | Surprise Hero Collection

「Hidden Signature Edition」

There is a 10% chance to get the Hidden Edition

「Basic Energy Armor」 (has a 50% chance to be obtained)

「Limited Mech Breakdown」 (has a 20% chance to be obtained.)

「Limited Fearless Expedition」 (has a 20% chance to be obtained)

Marvel Exclusive Nameplate

「Hero Emblem for Vehicle Gear」

Marvel Red Tributes Armor's Spirit

Features a two-stage adjustable handle combining nylon webbing and TPE rubber for an exceptional grip and feel

Unique two-stage design allows extension and adjustment to easily suit different needs.

REVOLVE PIVOT MASTER

X90 Roof Rack Ladder Iron Man Edition

X90 Roof Rack Ladder, Your Hero's Ascent. A nod to Stark with a hidden surprise. Rotates 90 degrees, fits city SUVs and EVs, saves space, and is super easy to use. This Marvel edition hides a little surprise. Pull the side panel and discover a mini Iron Man icon, like Stark's secret code in his armor. Every rotation feels like activating your own personal armor system. Climbing isn't just getting on the roof, it's stepping onto your own roof rack.

TIDE 1000 STORAGE

TIDE 1000 Waterproof Storage Iron Man Edition

TIDE 1000 Marvel Soft-Shell Storage, Your Roof-Top Arc Reactor. Essential for outdoor trips. Large, waterproof, rugged, and mounts securely. This Iron Man edition is more than storage. It's your personal energy chamber on the road.

STORM ROOF PLATFORM

STORM Roof Rack Iron Man Edition

STORM Roof Rack—I'M IRON MAN Edition more than a roof rack, it's the ultimate outdoor companion. Hassle-free gear loading and endless adventure possibilities

Aerodynamic Design

All ARCANER WARRIOR roof racks feature an aerodynamic design to reduce wind resistance, with built-in air channels for smooth airflow

Exclusive Iron Man Emblem

Featuring Iron Man line art and bold "I'M IRON MAN" lettering, a tribute to the iconic declaration

Exclusive Marvel Decals

Black anodized roof rack with red lines inspired by Iron Man armor. Layered Avengers logo mesh in the background makes it a custom hero emblem for your ride.

SIDE MOUNTED BOX

STORM Side Window Storage Box Iron Man Edition

STORM Side Window Storage Box Iron Man Edition More than storage, it's your personal Iron Man gear vault. Armor-inspired lines and bold IRON MAN lettering bring Stark tech to life. Perfect for camping gear, tools, or outdoor essentials, each open starts your own tech adventure.

Flat and Streamlined

Engineered Drainage System

Sturdy Mesh Pocket

Aerowing Awning Iron Man Edition

ARCANE WARRIOR presents Marvel's first full outdoor gear collection, reigniting your hero dream. Every detail honors Iron Man's tech and Hulk's strength, turning unboxing, unfolding, and rooftop climbs into your own hero ritual. Adventure with passion, adventure with heroes. Your next journey is protected by ARCANE WARRIOR hero gear.

Graphene Barrier Layer
High-Performance UV Block

Graphene Coating
300D Low-Stretch Fabric

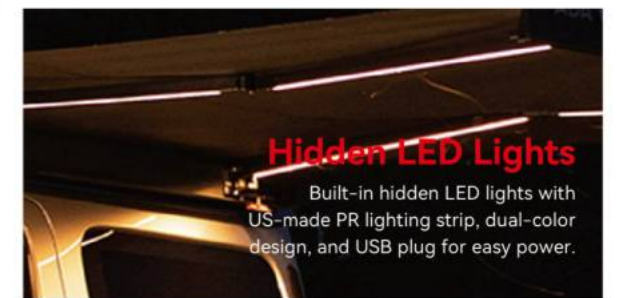

Locking Mechanism

Locks with a simple press. A central handle combined with a latch provides double security for safe driving.

Offset Support Structure

The first side awning without support poles on the market, easy to operate, wide coverage, long when opened and compact when closed.

Hidden LED Lights

Built-in hidden LED lights with US-made PR lighting strip, dual-color design, and USB plug for easy power.

HULK SERIES

Hulk Series

When Hulk's toughness meets ARCANE WARRIOR's protection, we've captured his core spirit, turning raw, unstoppable power into reliable guardianship.

It's more than a storage box. It's your courage for exploring the unknown and, like Hulk, your strongest ally outdoors.

FLEX GEAR BOX

FLEX Rugged Cargo Case Hulk Edition

If Iron Man stands for tech and intellect, Hulk represents raw power and wild energy. Opening the box reveals Hulk's fist inside, surrounded by bold "SMASH" and "HULK" markings. This is more than a gear box, it's Hulk's power on every road trip.

Exclusive Marvel Nameplate

[Exclusive Hulk Emblem]

Exclusive Hulk Body Panel

[Hero Medal for Vehicle Gear]

WAKANDA FOREVER

Black Panther Series

ARCANE WARRIOR brings Black Panther's calm strength to every piece of gear.

If Iron Man is tech and flair, Black Panther is quiet power. Always reliable, he's part of your adventures, setting up your awning, packing your gear, and heading into the wild.

AEROWING AWNING

AeroWing Awning Black Panther Edition

Black Panther's black and purple theme brings calmrefined style. Wakanda totems catch the light with subtle presence. Open at your campsite and the awning adds instant soul, with Black Panther's icon integrated into the awning.

This is more than decoration; it's a badge of identity. Buckles and handles share a deep purple design. When you open the awning, Black Panther's totem appears in full. Smooth black and gold lines create a clean, premium visual space on your vehicle's side.

► More Details

FLEX GEAR BOX

FLEX Rugged Cargo Case Black Panther Edition

WAKANDA FOREVER FLEX Rugged Cargo Case Black Panther Edition offers 108L capacity with custom inner panels. The Black Panther emblem turns every unboxing into a hero moment. It stores more than gear, bringing an outdoor hero ritual to life. Steady, precise, and reliable, it is quiet yet always ready to support everything you need. You don't have to be a hero, but you can have hero-level reliability.

Exclusive Black Panther Body Panel

「Hero Medal for Vehicle Gear」

Exclusive Marvel Nameplate

「Exclusive Black Panther Emblem」

► Honoring Legends, Empowering Exploration

From screen to reality, owning your first official Marvel automotive gear is more than a collectible, it's a symbol of becoming your own hero.

Following the Iron Man series, ARCANER WARRIOR introduces the Black Panther Edition, inspired by Wakanda and built to bring Black Panther's calm, reserved, and reliable spirit to real outdoor adventures.

REVOLVE PIVOT MASTER

X90 Roof Rack Ladder Black Panther Edition

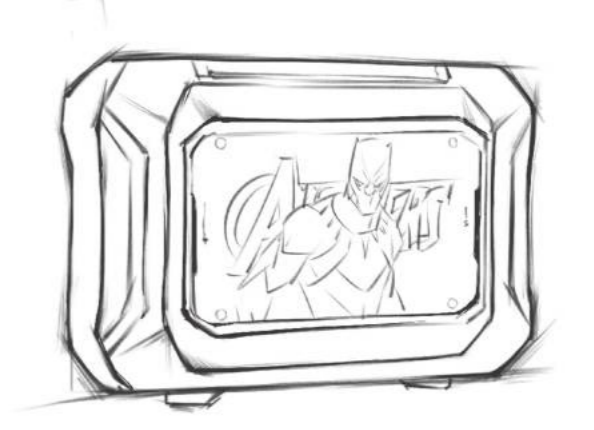

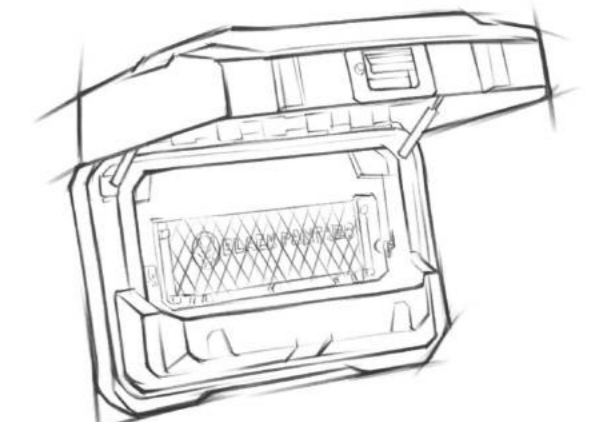

The Black Panther Edition WAKANDA FOREVER Roof Rack Ladder wears Black Panther's armor. Once just a tool for your roof, it now becomes a path to adventure. Grip the patterned ladder and step each rung, and it feels like your own Wakanda journey, making you the hero of your outdoor story.

SIDE MOUNTED BOX

STORM Black Panther Window Storage Box

Black Panther Edition WAKANDA FOREVER Side Window Storage Box is more than storage. Black Panther's totem is in every detail. Filled with camping gear and tools, opening it feels like unwrapping a mysterious package from Wakanda.

Mountain Legends

LIMITED SET Mountain Legend Limited Edition Set

It's the strength and resilience of mountains, the whisper of the wind, and the freedom to embrace the world. Peaks tell ancient tales and reveal timeless secrets. Every sunrise signals a new beginning, every sunset marks a triumph, and every trail carries adventure. Sand Dune Yellow reflects high-altitude soil, Amber Ridge brings warmth and timelessness, and Golden Summit mirrors the peaks' brilliance with a soft, glowing hue.

VEHICLE EXPANSION

Vehicle Expansion System

The new generation Vehicle Expansion Solution features a flexible modular system that adapts your vehicle to any outdoor scenario. With integrated roof racks, truck bed racks, roof crossbars, and ladders, it expands usable space while maintaining strong load capacity. Designed to eliminate compromises, it seamlessly connects daily commuting with outdoor adventures, making gear setup simple and allowing your vehicle to unlock more possibilities on every journey.

Automotive Outdoor Focus

Built on the idea of connecting outdoor life through the vehicle, we turn cars into platforms for adventure. Our modular solutions support off road vehicles, new energy SUVs, pickups, and touring cars, making it easy to carry gear for cycling, fishing, paddling, and road trips. Centered on outdoor living, we deliver complete automotive outdoor solutions.

STORM

The STORM series represents the agility of wind, with the Wind Riding Wing as its core design. It emphasizes lightweight, flexible mounting, and versatile use. With a comprehensive vehicle mounting system and a wide range of products, STORM enhances automotive outdoor adventures and enriches your outdoor lifestyle.

ROOF PLATFORM

STORM Roof Rack

The roof expansion system opens up more possibilities for new vehicles. We support over 100 mainstream models to meet different needs, and installation is hole-free, keeping your vehicle structure intact for true non-destructive mounting.

To make your trips more exciting, we offer a wide range of platform expansion accessories and custom options to fit your needs. Whether it's a bike rack, ski rack, or cargo box, we have solutions to match your setup.

The load bearing beam slides for adjustable spacing, keeping cargo stable while expanding loading space. Made from high strength materials, it is built to withstand tough conditions.

The Wind Chasing Wing — our iconic brand totem

ARCANE WARRIOR's original design introduces a fresh rear pattern concept to the world, using inkjet printing and a UV cured coating. The Wind Chasing Wing emblem carries the spirit of the "soaring roc," giving every vehicle a more dynamic and striking presence.

Lightweight design that makes every gram count.

The aluminum roof rack weighs about 50.7 lbs, like a packed suitcase. One person can carry it, reducing vehicle weight and boosting efficiency.

Custom-fit for every vehicle, with no drilling required.

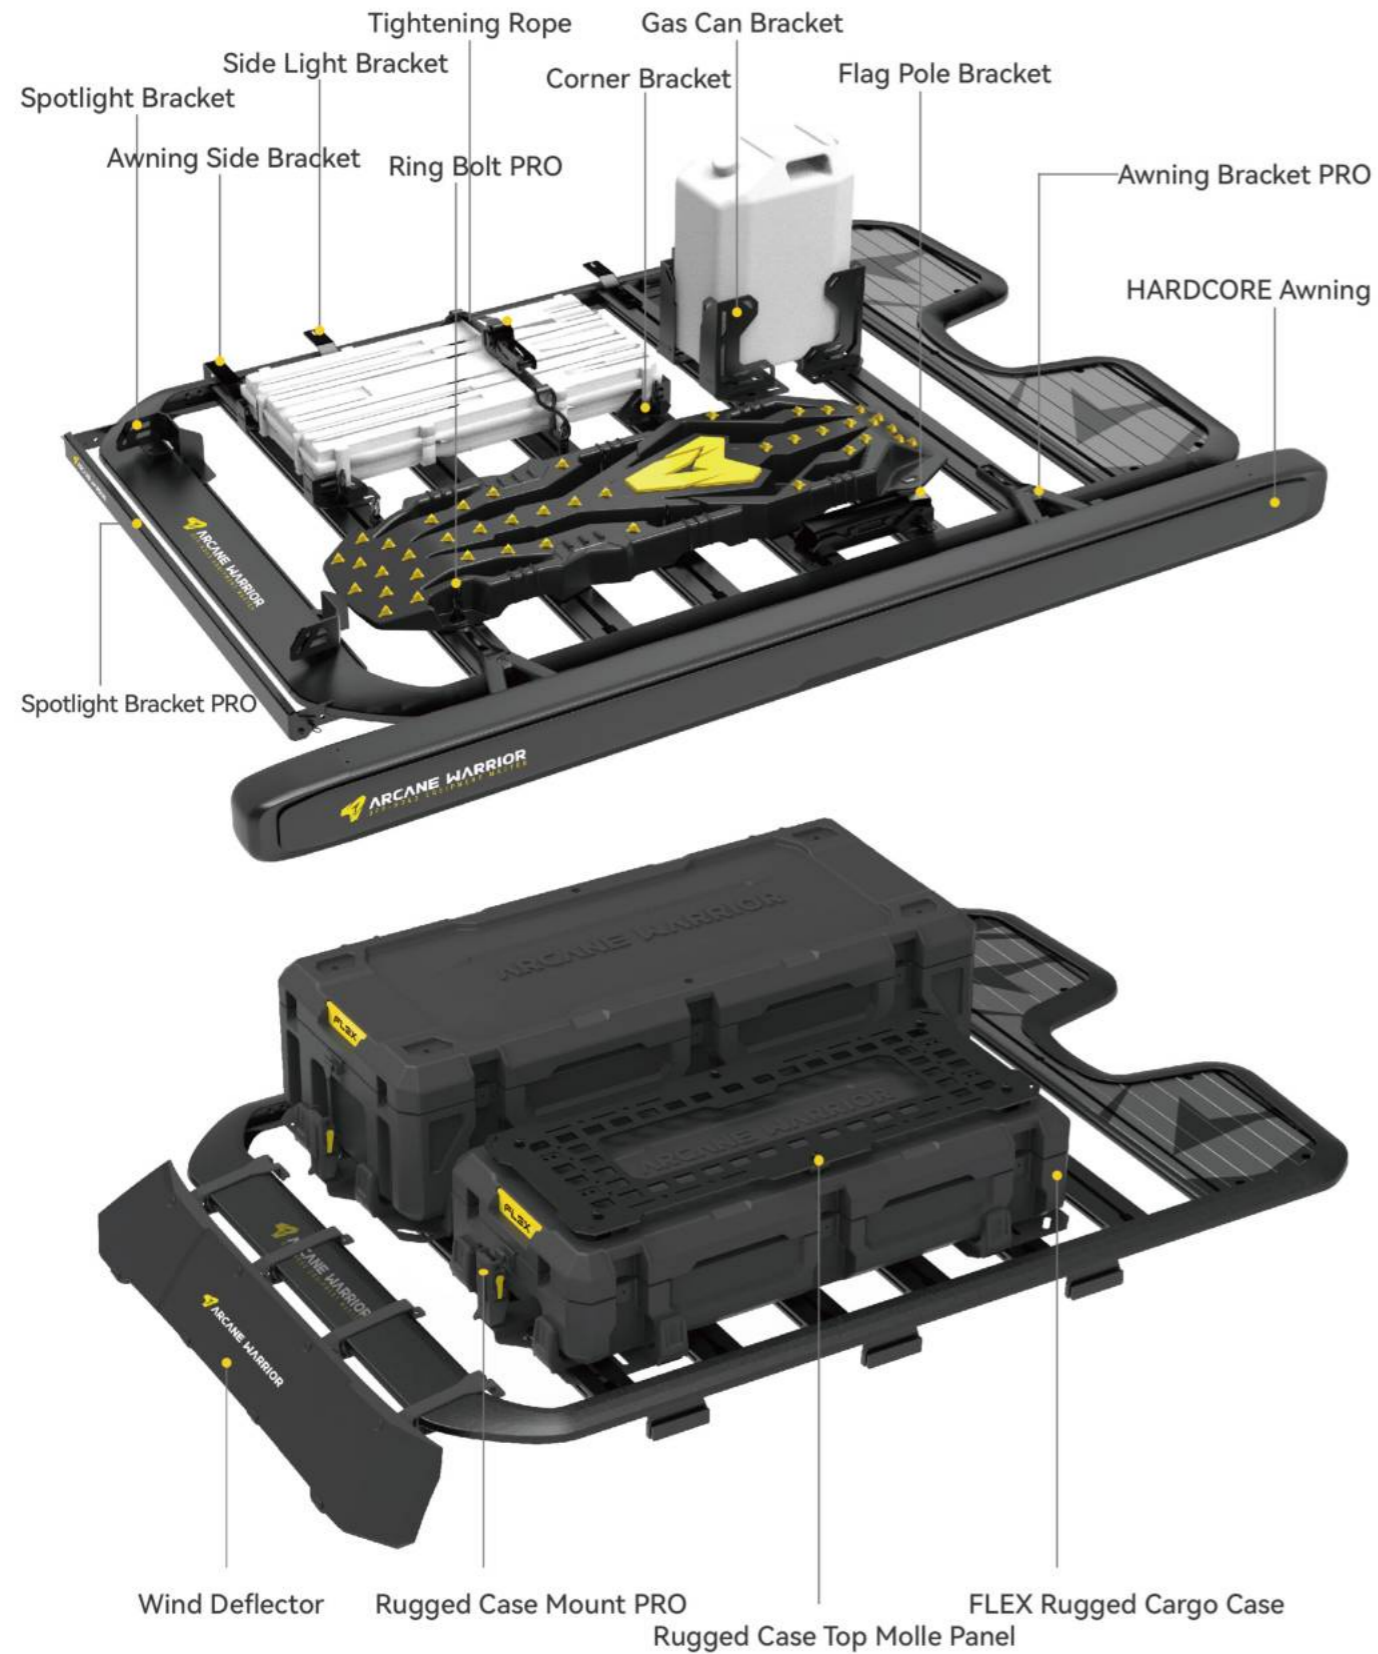

Built from original vehicle scan data, each module is molded to fit the vehicle's body precisely. Installation requires no drilling or modifications, ensuring a secure, damage-free setup.

*Some models use custom materials due to the vehicle's original design.

► 1+N expandable setup

Choose from a wide range of roof rack accessories to suit your needs for any outing.

► Fit Accessories

Choose the roof rack accessories you need to meet a variety of outdoor needs.

Fit: Rooftop Tent

A portable camping setup mounted on your vehicle roof, designed for outdoor enthusiasts. Unlike ground tents, rooftop tents attach directly to the roof rack, making full use of the vehicle's space.

Compatible: Roof-Mounted Fishing Rod Carrier

A vehicle-top mounting system designed to securely transport fishing rods during road trips and angling expeditions.

Compatible: Vehicle Water Tank

A new generation onboard water storage system engineered for outdoor adventures, camping trips, and long-distance journeys—delivering convenient water supply solutions.

Roof-Mounted Aerodynamic Noise-Reducing Spoiler

Reduces wind noise for quieter cabin comfort. UV-resistant finish prevents fading and deterioration. Distinctive 3D design stands out from generic alternatives.

Compatible: Roof-Mounted Bike Rack

Specifically designed for vehicle roof installation to maximize cabin space. Ideal for cycling enthusiasts and users requiring long-distance bicycle transport.

Compatible: Shovel Mount

A dedicated carrying system for secure shovel storage during outdoor adventures, off-road trips, or construction work. Provides quick access while saving interior space.

Flag Pole Mount

1-second setup, 2-step removal. Compact and lightweight for easy storage. Minimal roof platform space required.

D-Ring Anchor

Secures through pre-slotted platform mounting points. Compatible with ratchet straps for added tensioning.

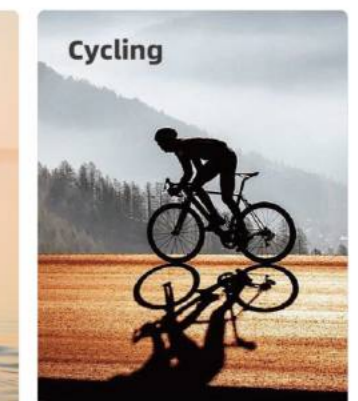

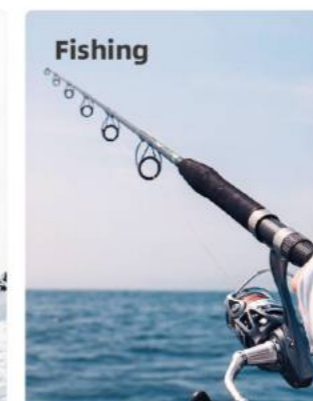

Corner Bracket Set

Optional accessory for multi-functional roof rack systems. Secures equipment cases, fuel cans, and other gear. Requires D-ring anchors at all four corners for proper installation.

Compatible with Common Accessories

Easily transports bicycles/fishing gear/tents/cargo cases/skis and other off-road essentials—freeing up trunk space.

TRUCK BACK SYSTEM

ULTRA RIDGE Truck Bed Rack

The ULTRA RIDGE Truck Bed Rack is built specifically for pickup trucks. Its lightweight aluminum construction and ridge-inspired design redefine rack aesthetics while offering strong vehicle expansion and a wide range of modular options. It supports rooftop tents, cargo cases, bike racks, recovery boards, and more outdoor gear.

ULTRA RIDGE

The ULTRA RIDGE Truck Bed Rack is built specifically for pickup trucks. Its lightweight aluminum construction and ridge-inspired design redefine rack aesthetics while offering strong vehicle expansion and a wide range of modular options. It supports rooftop tents, cargo cases, bike racks, recovery boards, and more outdoor gear.

Reforging the fearless spirit with ULTRA RIDGE

Inspired by mountain ridgelines, ULTRA RIDGE turns nature's power into industrial design. It honors a fearless spirit forged through trials, making the metal rack a milestone in every adventure.

High strength performance comes from real, rugged materials.

To achieve ULTRA RIDGE's top performance, we use high-grade materials and processes. The main body is die-cast ADC-12 aluminum, with 6063-T5 aluminum extrusion and PA6+GF15 glass fiber reinforced nylon injection molding for a super-strong structure.

► Extensive expandability

Hard Roll-Up Tonneau Cover

The ULTRA RIDGE truck bed tonneau cover gives the rear cargo area a cleaner, more cohesive look.

Truck Bed Rack Crossbar

Custom crossbar with multi-direction expansion slots and holes, plus a built-in scale for precise adjustment.

Truck Bed Rack Sidebar (Only fits H model)

H model supports an adjustable sidebar for mounting recovery boards, shovels, and side window storage boxes.

Truck Bed Rack Roof Rack

Designed for ULTRA RIDGE, this roof rack offers stronger expandability and supports awnings, side light mounts, recovery boards, spare tire mounts, and more.

VIZOR

At the crossover of car culture and pop culture, ARCANE WARRIOR's VIZOR series builds a personalized expression system for wagon owners, EV users, and urban light outdoor enthusiasts who chase "mobile identity aesthetics."

Low drag

The crossbar's streamlined shape cuts turbulence and drag. Its mounting position is optimized to sit close to the roof, reducing air contact and wind resistance.

Lightweight, ready to roll

High-strength aluminum load-bearing parts and a premium PC shell keep it lightweight, easy to carry, and easy to install for multiple uses.

A solid mount is real stability.

The mount uses ADC-12 aluminum and PC+ABS for a strong, durable build. The translucent acrylic visor adds style and strength.

Side Window Storage Box

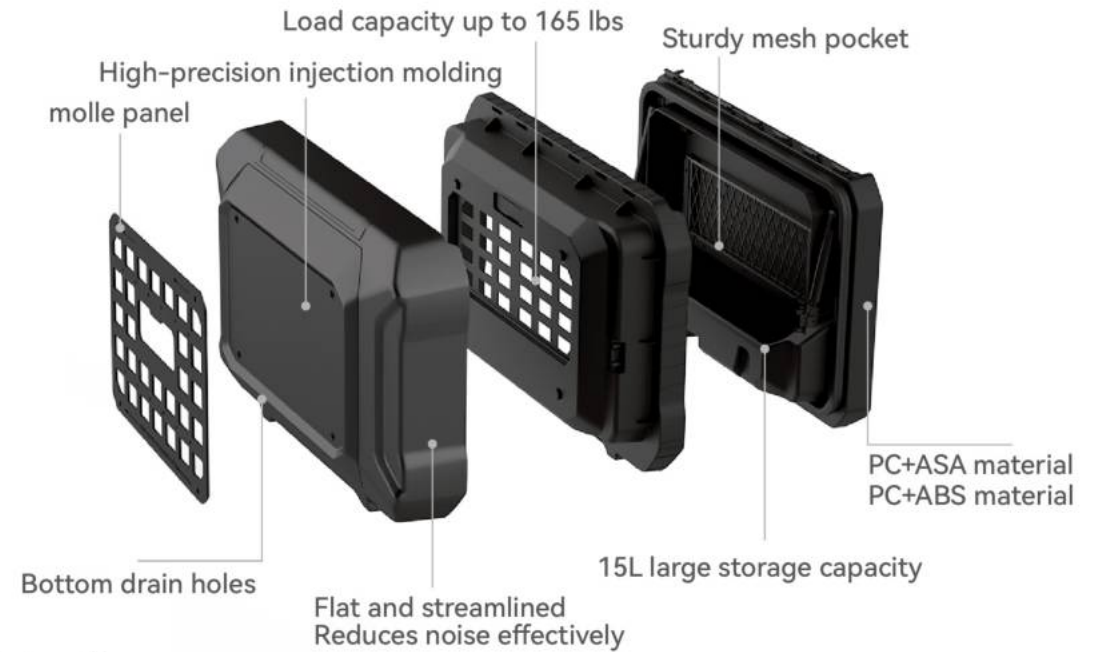

Redefining side storage with quick-release hooks for fast install and removal. It balances easy access to emergency gear with personalized style. The roomy compartment fits fire extinguishers, air pumps, first aid kits, and includes an expansion panel for extra storage.

SIDE MOUNTED BOX

Side Window Storage Box

Redefining side storage with quick-release hooks for fast install and removal. It balances easy access to emergency gear with personalized style. The roomy compartment fits fire extinguishers, air pumps, first aid kits, and includes an expansion panel for extra storage.

► Vehicle fitment

Toyota LC250, Ford Bronco, Jeep Wrangler JK/JL, Tank 300/400/500/700, Denza5/8, Land Rover Discovery 4/Defender 90, Haval H9, new Haval H5, Haval Big Dog, and more models coming soon.

PRO version unlocks advanced features and new possibilities.

Quick-release bolts allow fast removal of the cargo cases and reduce vibration during off-road driving. The expansion panel can mount side window storage boxes or serve as a mounting board for accessories like fire extinguishers or decor.

Motion-sensing LED light strip that adds a touch of ritual to every trip.

The box includes a removable motion-sensing LED light strip that doubles as a camping light. A magnetic back allows easy vehicle mounting, and a Type-C port with included cable ensures quick charging.

Internal dividers keep gear secure for worry-free storage.

The side window storage box features a unique internal barrier design that keeps items secure while driving and prevents tipping. Once opened, gear is easy to see and grab, improving overall convenience.

Anti-theft protection keeps safety always on.

The side window storage box features a professional anti-theft lock and linked latch system for secure, easy access. Just unlock to open, keeping your gear protected and your trips worry-free.

REVOLVE PIVOT MASTER Roof Rack Ladder 3

Our next-gen ladder replaces body-mounted designs with patented rotating hinge technology, saving space, boosting safety, and keeping zero contact with the vehicle.

REVOLVE PIVOT MASTER X90 Roof Rack Ladder

The RPMX90 roof rack ladder features a 90° rotating design with no drilling or frame needed. It fits 99% of models, supports heavy loads, and is easy to use, turning the roof into an accessible space and unlocking a new level of outdoor life.

Designed to clamp the roof, not damage it!

The rotating design and deployable support structure keep the ladder on the ground, not the vehicle, for easy damage-free use.

Zero vehicle contact, damage-free use

Specialized latch design

One-press unlock, one-click lock.
Smooth, one-handed operation
for safe and easy use.

Compatible with REVOLVE bracket

A dedicated rotating ladder bracket uses side space efficiently without affecting rooftop gear, maximizing space and keeping everything organized.

▶ Rotational Capability, Proprietary Patented Pivot Design

Designed for smooth, damage free opening, the ARCANE WARRIOR R&D team achieved a 90° rotational function through extensive testing.

CROSSING Side Window Ladder 2.5

When the Dakar Rally's sand tracks are etched into metal, ARCANE WARRIOR redefines exploration. The CROSSING series is more than gear, it is a road spirit narrative that turns every trip into a parallel Dakar route.

CROSSING ROOF LADDER CROSSING Side Window Ladder

The CROSSING Side Window ladder reinvents rooftop access by simplifying the process. With a one-touch fold and unfold design, just press the unlock button and the ladder opens in one second. Built from lightweight aluminum with strong load capacity, it offers upgraded stability and durability.

► More Features

Dual Folding Pivot

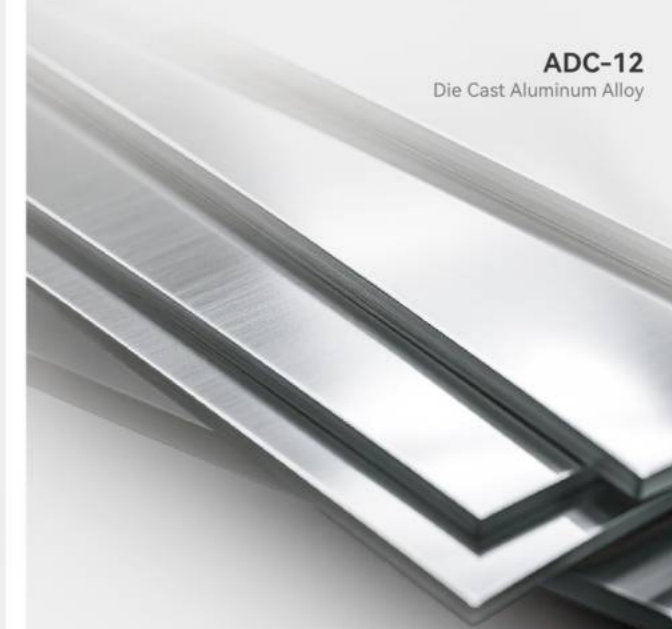

ARCANE WARRIOR integrates a pivot system for one-step ladder deployment, making rooftop access effortless.

ADC-12 Aluminum Alloy is lighter and stronger

Made from lightweight ADC-12 die cast aluminum, the body weighs about 12Kg and delivers strong tensile and compressive strength with excellent wear and corrosion resistance.

ADC-12
Die Cast Aluminum Alloy

TANDRIX

Dual-Wheel Vehicle Bike Rack

Streamlined and modern, the rack is simple and efficient. It features a black metal finish with yellow buttons and is made from high strength aluminum alloy for a lightweight yet stable build. The low profile design looks high tech, and the treated surface resists corrosion and wear in harsh environments.

► More Features

Upgraded 4-Point Stability System with Dual Wheel Cross Lock

Foldable Storage Solution

Only 12cm
Thick When Folded

► Easy to Install, Fully Compatible

Multi-adjustable buckle system fits over 90% of roof crossbars, roof racks, and truck bed racks.

Adaptation of roof bars

Adaptation of roof rack

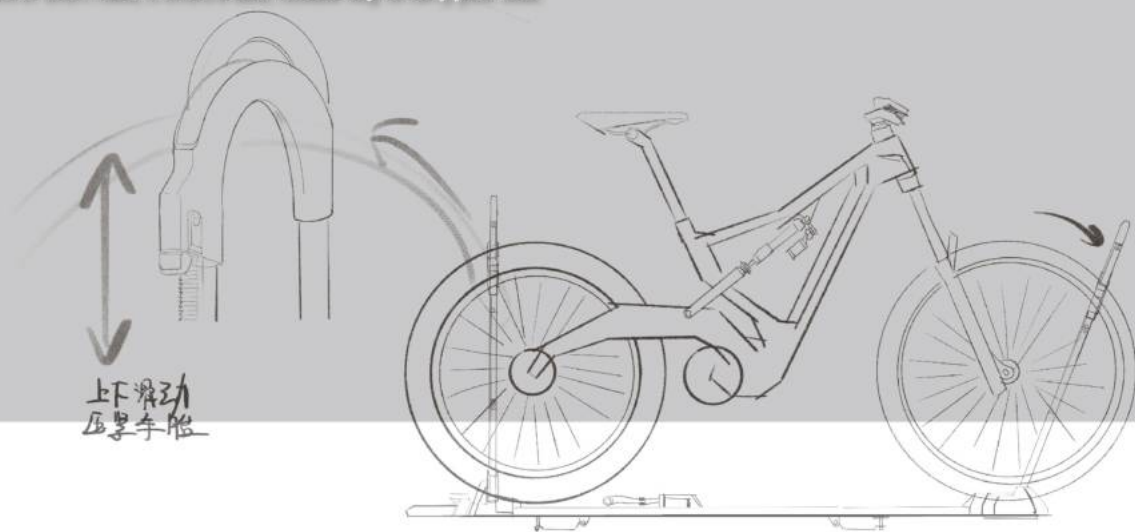

Adaptation of Truck Bed Rack

TANDRIX

The bike rack locks both wheels securely, allows quick mounting and removal, and saves space while protecting your bike. Its modern minimalist design and practical features make it ideal for cycling and road trip enthusiasts. Whether for adventure or short rides, it offers a safe, reliable way to carry your bike.

AUTO CAMPING

Car Camping System

It covers everything from choosing a campsite and setting up gear to improving the overall camping experience. ARCANE WARRIOR's car camping system creates a safe, comfortable, and convenient outdoor living space, helping users find a quiet corner in a busy life and enjoy true outdoor living.

HARDCORE

The **HARDCORE** series is **ARCANE WARRIOR**'s new direction, defining a bold outdoor lifestyle with clean, rugged design that outdoor enthusiasts love.

CAR CANOPY HARDCORE Awning

The **HARDCORE** Awning is **ARCANE WARRIOR**'s patented product and has been popular with outdoor enthusiasts since its 2022 launch.

Its unique design and premium materials show the brand's commitment to quality, delivering a luxurious camping experience. From mountains and lakes to grasslands and deserts, it opens your outdoor world with easy installation, making every trip unforgettable. With the **HARDCORE** awning, enjoy nature and the outdoors.

Quick Pack Up in 5S

Say goodbye to complexity with fast retraction, designed for tens of thousands of smooth opens and closes.

Hidden Locking Mechanism

Secure lock prevents the awning cover from popping open on bumpy roads.

Compatible with the **HARDCORE** Awning Shade Extension Kit

Breaks traditional side wall design to reduce wind noise and drag with an aerodynamic shape, compatible with the **ARCANE WARRIOR-STORM** Roof Rack.

► Expandable Awning Setup

The **HARDCORE** awning offers four expansion modes for ultimate car camping. The original mode is simple and practical for basic camping. The extension kit expands your space for more privacy. The **HARDCORE** Awning Room W/Floor provides full coverage for immersive camping. With both tent and side walls, you get a complete camping setup. Each mode reflects your taste and makes car camping more exciting.

HARDCORE Awning Room W/Floor

HARDCORE Awning Shade Extension Kit

Car Camping

Car camping is a relaxed way to connect with nature. Wherever your vehicle goes becomes your campsite, perfect for exploring and gathering. The ARCANE WARRIOR roof expansion system is your refined companion for car camping.

AUTO CAMPING

With ARCANER WARRIOR, car camping becomes more exciting. Every trip is a close encounter with nature, letting your mind truly relax and refresh.

► Excellent Sun Protection

One-step outdoor sun protection with improved water resistance and UV protection.

Fabric

300D soft polyester with PU silver coating and DWR water repellent treatment for common weather. It resists shrinking and fading, stays smooth, and is easy to store.

Black Coating for Better Sun Protection

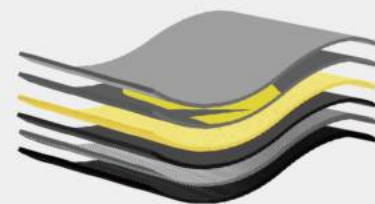

Black Coating Version
Enhanced UV Protection with 20% Higher UPF
Upgraded Abrasion Resistance and Antibacterial, Anti Mold Treatment

Silver Coating Version
Basic Sun Protection for Multiple Scenarios
Stable Structure, Quick and Easy Setup

Enhanced Water Resistance

The black coating awning adds a UV blocking layer for UPF 40+ protection. The black coating technology delivers strong sun protection to handle various weather conditions.

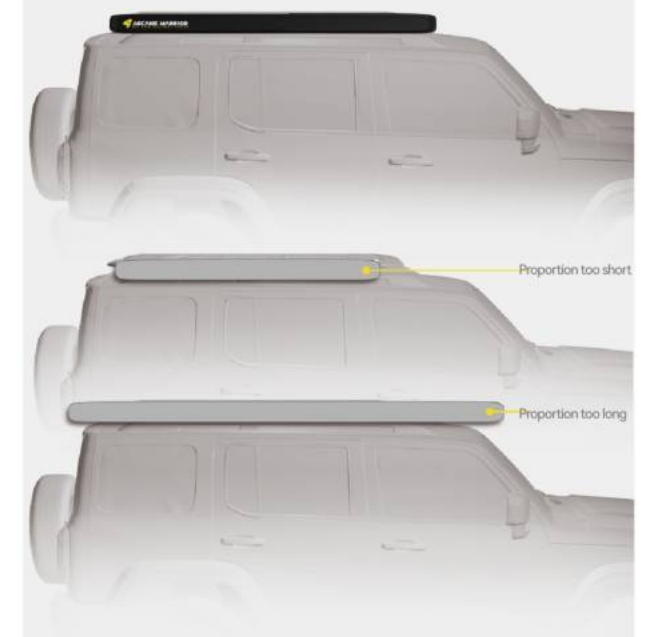

Full Aluminum Shell, Stylish and More Durable

Made from 6063-T5 aluminum and ADC12 die cast aluminum, the body goes through 15 steps of powder coating for strong toughness and corrosion resistance.

Better suited for global vehicle proportions

The length is more balanced to fit a wider range of vehicles. Optimized for both domestic and international sizes, it fits over 95% of models.

HARDCORE AWNING ROOM

HARDCORE Awning Room W/Floor

The HARDCORE Awning Room W/Floor is designed for car camping, elevating your vehicle lifestyle. Its black and yellow look is modern and dynamic, matching the outdoor vibe. The 270° design lets you enjoy wide views from inside, blending with nature. Quick to set up and built for durability, it provides a safe, comfortable space for long drives or weekend camping.

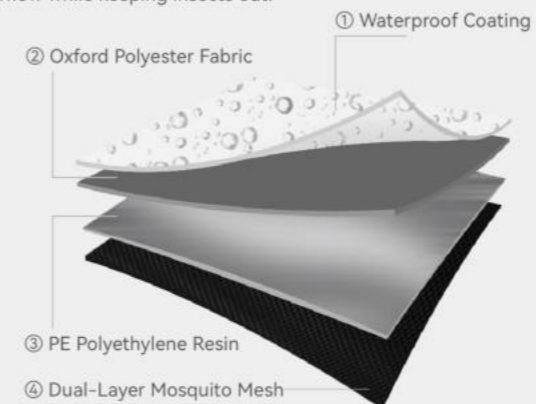

► Multi-Scene Setup Modes

270° panoramic mode, fully enclosed mode, bug net mode, one bedroom one living room mode, and full open mode. Multiple outdoor setups for different scenarios.

Multi-Layer Fabric, Fully Waterproof

Made from 300D Oxford polyester with strong waterproof, tear resistant, and durable performance for outdoor use. A high performance waterproof inner coating blocks rain, and PE resin adds extra protection. Dual-layer bug netting improves airflow while keeping insects out.

5-Min Setup, Your Outdoor Home

Innovative HARDCORE pole design enables a fast 5-minute setup by two people, while the hook-based mounting system simplifies installation and the front and rear zippers improve stability and ease of use.

LANDING

LANDING is ARCANE WARRIOR's tribute to action seekers who chase freedom, where minimalist industrial design meets hardcore outdoor DNA, making each piece feel like an extension of the explorer—from solid shelter in storms to a relaxed campfire vibe, with modular design covering every scenario.

HARDSHELL BTT LANDING Hardshell Roof Top Tent PRO

LANDING Hardshell Roof Top Tent PRO is a fast-deploy tent designed for car camping, with hydraulic poles that enable a 3-minute setup for a more convenient experience. Built with premium materials, it's durable and weather-ready, and the spacious interior fits the whole family, making it ideal for outdoor trips and gatherings. This hard shell roof tent helps you blend into nature and enjoy camping with ease.

► Recommended Vehicle Fit & Dimensions

Recommended Vehicle Fit: Pickup Trucks

Closed Dimensions: 1606*1330*332mm

Opened Dimensions: 2080*1606*1200mm

Spacious Interior, Your Comfortable Home Inside the Tent

Opened dimensions 81.9 x 63.2 x 47.2 in, offering a huge interior area that fits a family of three, with a 3D space design that makes every corner feel open, bright, and comfortable like a moving mini villa.

More Attention to Detail

Bracket accessories use thick 304 cast stainless steel and 5-series aluminum for high strength and corrosion resistance, ensuring long-term use in harsh outdoor conditions like humidity, rain, and salt spray.

Built-in high-brightness LED strip lights to illuminate the night

The tent comes with imported US PRY LED strip lights that are energy-efficient and dimmable, providing even, soft lighting. You can easily adjust the brightness to suit your needs.

► Multiple Modes for Flexible Switching to Fit Different Situations

Full enclosure mode, mesh mode, and panoramic mode can be freely switched to adapt to different weather conditions.

LANDING

LANDING is ARCANE WARRIOR's tribute to action seekers who chase freedom, where minimalist industrial design meets hardcore outdoor DNA, making each piece feel like an extension of the explorer—from solid shelter in storms to a relaxed campfire vibe, with modular design covering every scenario.

ULTRA-THIN ROOFTOP TENT Ultra-Thin Roof Top Tent

Ultra-Thin roof top tent designed for car camping, offering a moving mini villa experience. In just 3 seconds, pneumatic hydraulic poles open a spacious and comfortable rest area, and when closed, the ultra-thin design makes it easy to move between city and nature. Premium materials and shock protection ensure home-like comfort and safety outdoors, letting you get closer to nature and enjoy villa-level comfort with ARCANE WARRIOR's ultra-thin roof top tent.

► Dimensions

Closed Dimensions: 2100*1270*140mm (height without rails)

Opened Dimensions: 2100*1270*1520mm

Car Camping, the Next-Level Way to Camp

Car camping offers many advanced ways to enjoy the outdoors, and a thin roof tent lets you skip the setup and packing while staying easy to carry. At just 5.5 inches tall when folded, it's ideal for quick trips or long outdoor stays.

Hydraulic poles assist for a 3s quick open

With the hydraulic pole system, the opening speed reaches 0.3 m/s, making setup effortless. A simple pull instantly unfolds the tent, with no complex support steps needed. The hydraulic design also provides stable support throughout.

High-Strength Aluminum Alloy Shell

Both the base and shell are made of high-strength aluminum alloy for improved durability and weather resistance, while the AW collaboration model features a dedicated logo with UV printing for a 3D texture, gloss, and excellent wear and fade resistance.

Quick-Release Roof Top Tent Mounting Bracket (Optional)

Designed for use with the ultra-thin roof top tent.

Mounting Bracket for Ultra-Thin Roof Top Tent Awning (Optional)

Designed for use with the ultra-thin roof top tent.

AUTO CAMPING

A comprehensive solution that blends vehicles and camping into a mobile "outdoor living space," using vehicle upgrades, gear, and technical support to make camping more convenient, comfortable, and safe.

CAR SIDE CANOPY

Side Awning

Side Awning is a versatile shelter designed for automotive outdoor exploration, requiring no drilling and using strong suction technology to fit all vehicle types. One person can set it up, and it stays rock solid in strong winds and rain. Tear-resistant fabric and a lightweight alloy frame resist heavy rain and harsh sun while remaining easy to carry. The expandable space easily fits groups around a fire or lets you enjoy the stars in private. From desert dunes to ocean shores, it provides confident shelter for every stop, using minimalist design to simplify the complex and make outdoor rest feel poetic.

Three-Step Quick Setup, Zero Hassle

The original quick-setup design links each pole section with elastic bands for easier assembly and to prevent parts from scattering after disassembly. Setup takes just three steps, and one person can finish in 5 minutes, making it very friendly for beginners and women.

Extend the poles, raise the awning
STEP 01

OUTDOOR STORAGE

Outdoor Storage Systems

ARCANE WARRIOR is dedicated to solving storage challenges in outdoor adventures. We offer top storage solutions for vehicle travel, including FLEX Rugged Cargo Cases, Three-proof Cargo Case, and an upcoming roof cargo box series. We will keep developing even better outdoor storage solutions.

FLEX GERA BOX

FLEX Rugged Cargo Case

Every adventure is a unique experience, and each journey is an embrace of the unknown. Our storage system provides quick, secure connections and flexible compartments to meet all your outdoor needs.

The FLEXYSTEM is rigorously tested for quality, with waterproof, dustproof, heat-resistant, and impact-resistant features to ensure reliability in any environment. More than just gear, it's your trusted companion for adventure, ready to conquer the unknown and create endless possibilities.

► Three-proof Performance

Premium waterproof, dustproof, drop-resistant, heat-resistant, and impact-resistant. Easily withstands heavy rain and tough outdoor conditions.

► Multiple Capacity Options

Four sizes to meet different travel needs.

FLEX Rugged Cargo Case (36L)

FLEX Rugged Cargo Case (52L)

FLEX Rugged Cargo Case (108L)

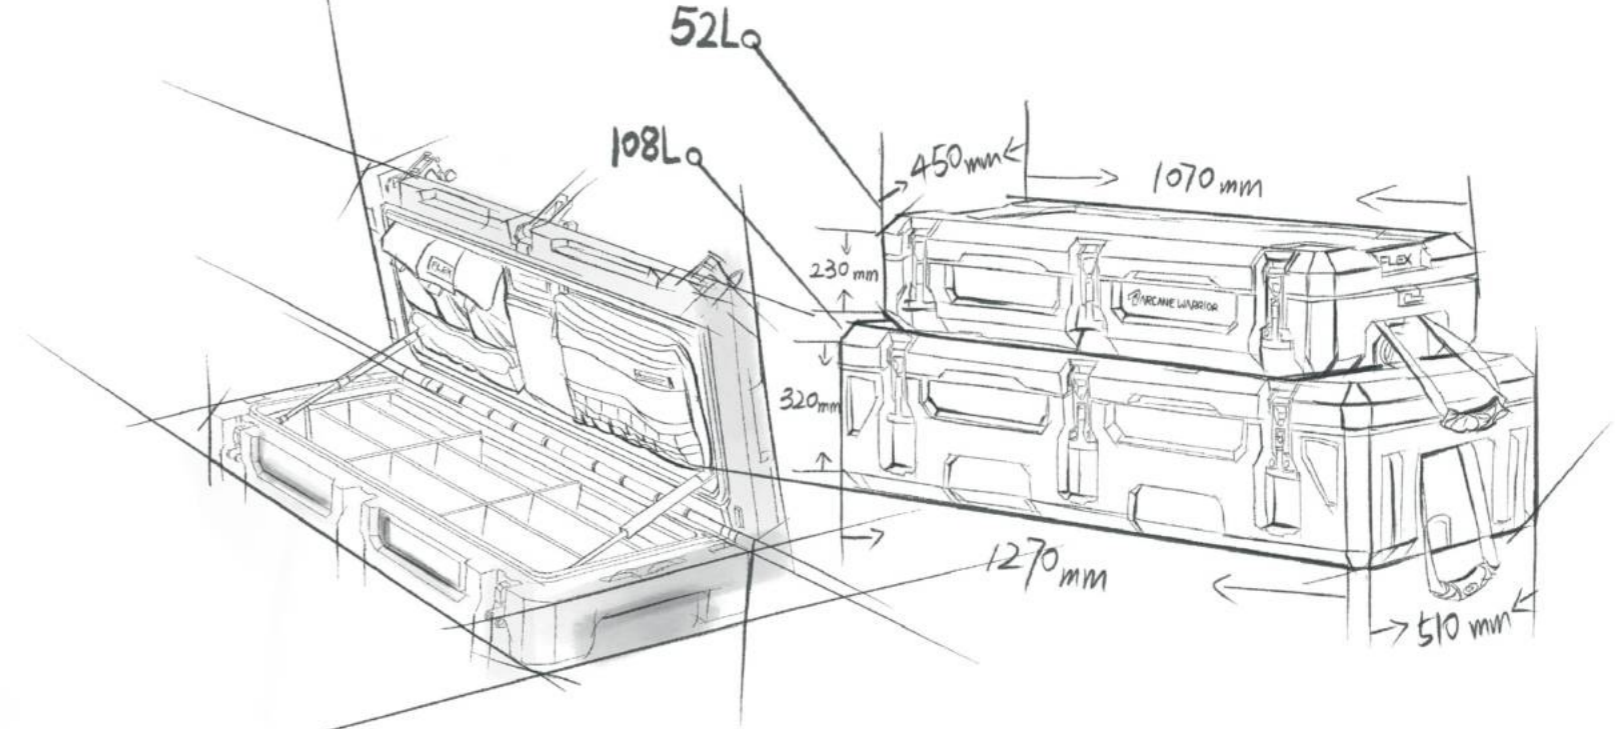

FLEX Rugged Cargo Case (116L)

► Product Design Language

The FLEX Rugged Cargo Case blends modern industrial style with adventure spirit. Its rugged design and sturdy structure reflect the strength of adventurers. The quick-release mount integrates with the FLEX system for easy installation, while the carbon steel frame boosts capacity and stability. Internal expansion boards and storage bags ensure organized, efficient storage. A perfect balance of form and function, it's the ideal choice for outdoor enthusiasts.

► Multi-Scene Use

Adaptable to various scenarios—whether fishing, camping, off-roading, tool storage, or road trips, this cargo box handles it all with ease.

► Versatile expansion features

The FLEX Rugged Cargo Case shines with its expansion features. The top has multiple mounting points for gear like flashlights and solar chargers. Inside, the lid extension creates an extra platform for easy access, and a waterproof storage bag keeps small items organized.

Internal expansion

The FLEX Rugged Cargo Case offers smart internal expansion. The Molle Panel creates extra space for gear like cameras, making access easier. Inside, a Lid Organizer helps organize small items like batteries and chargers, keeping your gear ready for any outdoor adventure.

Molle Panel

- Versatile item attachment
- Aluminum alloy, sandblasted anodized, smooth touch

Lid Organizer

- Increases storage space for 10-20 outdoor items.
- Built with PP plastic panels for a sturdy and sleek design.

Divider Kits

- Flexible storage compartmentation
- Plug-in module, quick and easy
- Enhance storage efficiency

Universal foam

- Customizable storage for item sizes
- Impact-resistant, abrasion-resistant, effective protection
- Pre-cut into sections, can be torn by hand

Top Molle Panel

External expansion

The FLEX Rugged Cargo Case excels in external expansion. Its top mounting points let you easily attach essentials like flashlights and solar chargers, keeping your gear secure on both long trips and short camping outings.

► Anti-theft integrated quick-release design

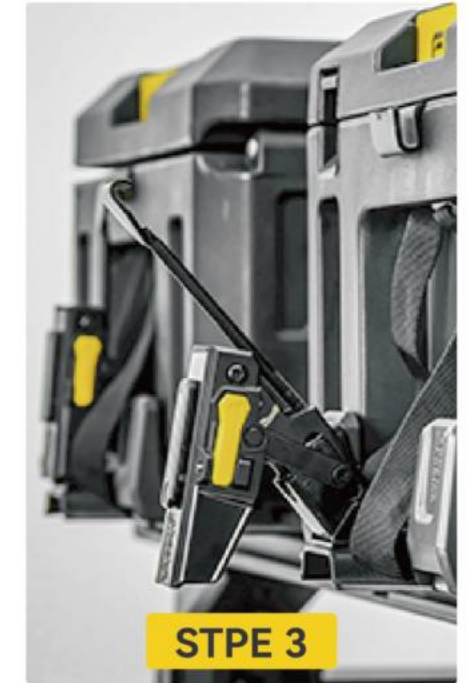

The FLEX Rugged Cargo Case quick-release mount is built for outdoor adventures. It easily integrates with the FLEX system, with a combination lock that secures in two simple steps. The carbon steel design ensures excellent load capacity, keeping it stable on rough trails or in tough weather.

STPE 1

STPE 2

STPE 3

► More features

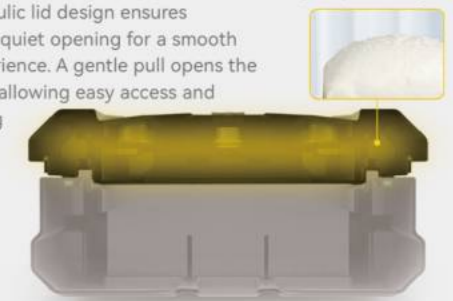

Three-color exclusive limited edition tag

Original categorization system with yellow, white, and black tags for labeling, and a marked base for easy identification.

Hydraulic strut support for easy opening

The hydraulic lid design ensures effortless, quiet opening for a smooth user experience. A gentle pull opens the lid slowly, allowing easy access and preventing accidental pinching.

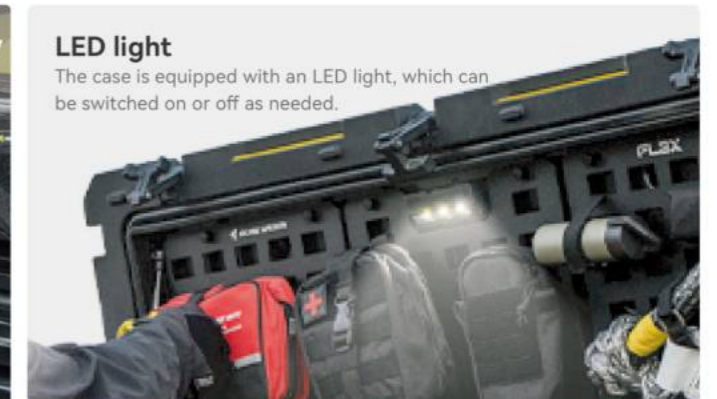

Polyethylene-filled casing for enhanced strength and durability

Reinforced inside and out with polyethylene foam for superior compression resistance and cushioning.

LED light

The case is equipped with an LED light, which can be switched on or off as needed.

TIDE1000

TIDE1000 Waterproof Duffel Bag is a high performance waterproof duffel designed for outdoor enthusiasts, perfect for hiking, camping, cycling, fishing, and a wide range of outdoor adventures.

WATERPROOF BAG TIDE1000 Waterproof Duffel Bag

Inspired by exploration and the courage to face the unknown, this series is built to overcome obstacles and adapt to any terrain, keeping your gear safe and dry like the unstoppable tide through rivers, rain, and everything in between.

TIDE offers unmatched waterproof and impact resistant protection, ready to take on any challenge.

Top tier fully submersible waterproof protection

The TIDE series raises the bar with IPX8 waterproofing, keeping your gear safe from rain. Like the tide, it stays steady through every rise and fall.

IPX8 waterproof rating

SGS

Tested and certified
Report certificate number:
GZMR220902907401 CN
* Tested to be submersible up to 157.5 ft. excluding no water penetration for 60 min.

*Waterproof Rating: The main compartment zipper is IPX8 airtight. The front pocket zipper is IPX3 splash resistant.

1000D double-sided TPU for reliable waterproofing

The shell uses 1000D double-sided TPU for upgraded waterproofing and shape retention, with a polyester nylon middle layer for durability and 600D polyester straps that resist tearing under heavy loads while staying comfortable.

1000D TPU material
600D polyester webbing construction
TPU material

Wide opening design

A wide opening makes gear access easy, so you can open the bag and quickly find what you need.

80L large capacity

► Versatile for multiple scenarios and ready for any challenge

Designed for multiple scenarios, it works for road trips, paddleboarding, motorcycle travel, and kayaking, offering reliable protection and convenience.

Road trips

Paddleboarding

Motorcycle touring

Kayaking

TIDE500

The TIDE500 Waterproof Duffel Bag continues the TIDE outdoor waterproof style with ARCANE WARRIOR black and yellow DNA, redefining outdoor visuals and reflecting a survival mindset in every trip, while its multi-scenario design lets you switch easily between vehicle, backpack, and hand carry to cover all your outdoor needs.

WATERPROOF GEAR BAG TIDE500 Waterproof Duffel Bag

TIDE500 is not a disposable item, but a carrier of outdoor spirit. It protects your passion in heavy rain, witnesses your courage on gravel roads, and stays with you until you reach the next peak in life.

IPX5 rated waterproof performance

IPX5 waterproofing with high-density fabric and welded seams, keeping water out in heavy rain.

IPX5
rated
waterproof
performance

*Important: IPX5 water resistant, not for submersion. Avoid storing valuables inside.

Three-layer composite fabric built to handle any outdoor challenge.

Made with 500D PVC waterproof fabric and a three-layer mesh structure, this bag upgrades outdoor performance to withstand extreme conditions.

Abrasion resistant
moisture barrier PVC film

Durable tear
resistant mesh fabric

Abrasion resistant
moisture barrier PVC film

35L capacity with full open design

One-bag wide opening design for direct access and full gear storage.

ARCANE WARRIOR black and yellow DNA, redefining outdoor visuals

It's more than color, it's a survival mindset built into outdoor DNA that makes every trip stand out.

► Built for all kinds of outdoor use

Switches easily between vehicle, backpack, and hand carry, offering unlimited protection and covering all outdoor needs.

RECOVERY GEAR

Outdoor Recovery System

Off-road Gear Master's Outdoor Recovery System is a premium rescue gear collection built for harsh outdoor conditions. Designed for off-road terrain, it handles rugged mountain paths, muddy swamps, and loose sand with optimized shape and structure for smooth movement and stable support.

Off-road Equipment Master OFF-ROAD GEAR MASTER

The "Off-road Gear Master" Outdoor Recovery System combines strong design, reliable quality, and innovative technology, making it essential for outdoor rescue and bringing more safety and hope to rescuers and those in need.

TACTICAL GLOVES OFF ROAD MASTER Tactical Gloves

OFF ROAD MASTER tactical gloves use TPR padding and reinforced joints for impact protection, while staying soft and flexible. They reflect the brand's attention to detail and provide reliable support for outdoor rescue, with touchscreen fingertips for most devices.

Lightweight and tough materials

Kevlar material
Upgraded abrasion resistance.

EVA shock padding in the palm lining

Shock absorbing and abrasion resistant to reduce hand fatigue

TPR padding for upgraded protection

Soft and flexible, it protects the back of the hand, strengthens joint support, and offers strong shock and impact resistance.

TREE STRAP OFF-ROAD MASTER Tree Tow Strap

Works with most rescue gear

fits most off-road vehicles.

High strength stitching

reinforced durability and safe use.

(13t/3m)

EXTENDER OFF-ROAD MASTER Winch Extension Strap

Compatible with various rescue devices and winches including electric, hydraulic, and manual winches.

Used in various scenarios

Connect winch lines and extend length for rescue towing.

(8t/20m)

TOW ROPE OFF ROAD MASTER Recovery Strap

20% stretch to reduce vehicle damage

Withstands heavy towing and cushions the pull to prevent further vehicle damage.

Made from 100% high strength nylon fiber

Built with durable, corrosion resistant materials, reinforced edges, and tight stitching for long-lasting strength.

(8t/9m)

(15t/9m)

LAN FLAG Winch flag

Protection rescue, safe towing

Reduces rebound injury from tow strap breakage, protecting both people and vehicles.

Safety warning with reflective strip.

Warns others to keep clear, making night towing safer.

PULLEY Pulley

8t load capacity

Fits most off-road vehicles

Effectively adds rescue anchor

Works in multiple scenarios and redirects the pull to ease strain on the rescue vehicle.

VT100 TACTICAL GLOVES

VT100 thin tactical gloves

On rainy or snowy days, just adjust the support posts and the awning naturally slopes to shed water. The built-in soft LED light strip turns on with one touch, adding cozy night lighting. Add the extension side walls for more privacy, and it instantly becomes a semi-enclosed tent that blocks wind and mosquitoes.

► With reinforced attachment holes, outdoor storage is easy.

A wrist attachment hole lets you clip it to a gear bag, tactical vest, or carabiner, keeping it secure and easy to access.

Lightweight thin-layer fabric

Uses a lightweight composite fabric that keeps fingertip feel clear, and the breathable design prevents stuffiness during long wear.

Reinforced, wear-resistant palm

The palm is reinforced for wear resistance, and joint padding adds extra protection, creating a "shield" for your hands.

Tactical aesthetics with two standout features!

Classic black is the main color, accented with electric yellow details, continuing ARCANE WARRIOR's tactical, hardcore style.

TACTICAL GLOVES

Warrior's Heart Super Tactical Gloves

3D mesh + composite ripstop fabric

Sweat-wicking and breathable, enhancing glove flexibility.

PU material on thumb and index finger

Compatible with touchscreens for easier device use.

GRIP GLOVES

Ultra-thin half-finger anti-slip gloves

Rubber Buckle with Hook-and-Loop Closure

Press to Stick. Rubber Reinforced. Adjust to Any Size.

Half-Finger Design for Flexible Operation

No Hassle Removal. Half-Finger Design for Easy Operation.

ULTRA THIN GLOVES

Ultra-thin outdoor tactical gloves

Fingers bend easily with minimal effort.

Extra enlarged flex space.

Elastic inner band and pull tab design

Ensures a snug wrist fit and easy hanging.

ATR RECOVERY BOARD

ATR Recovery Board

The ATR Recovery Board features an original, durable design. From sketch to prototype, every step reflects thoughtful engineering. The ergonomic handle improves grip, the stackable design saves space, and dual shovel heads make clearing mud, sand, and snow easier.

► For vehicle mounting, we recommend the optional Ring Bolt PRO

Made from high-strength SUS305 stainless steel with a bright electrophoretic finish for corrosion resistance. Designed for the ATR recovery board, it securely mounts jerry cans or other items above the roof rack.

Break-resistant at -40°F

Made from high-strength PA6 nylon with a proprietary blend for extreme outdoor conditions. It can bend continuously for 4 hours without breaking and supports large bending angles.

Brand emblem with integrated anti-slip studs

Warrior's Heart emblem, molded in one piece to prevent detachment and provide a more secure grip.

10t heavy-duty load capacity

Suitable for off-road SUVs, it easily supports a fully loaded vehicle. At 10.3 lbs, the material is strong and reliable.

SOFT SHACKLE

Soft shackle

Bulletproof fiber, abrasion-resistant

A high-strength fiber used in bulletproof vests, 15 times stronger than steel.

Double-strand neck design

Reduces breakage risk with thicker, stronger rope for high strength and durability.

LORD SHACKLE

DOMINATOR Lord Shackle

CR40 premium alloy steel

Paired with 6061 aluminum alloy for excellent overall mechanical performance.

6t max load and 480-hour salt spray resistance.

Pairs with a recovery strap for easy winch removal.

BRAVEHEART RECOVERY KIT

Warrior's Heart Basic Outdoor Recovery Kit

► Kit includes:

- Warrior Pack outdoor storage bag ×1
- OFF ROAD MASTER Recovery Strap × 1
- DOMINATOR Lord Shackle × 2
- Warrior's Heart Super Tactical Gloves

FIRST AID KIT

QUICK Vehicle First Aid Organizer

QUICK Rescue Series, speed defines safety. Built for emergencies, QUICK responds in seconds to turn danger into relief. Time cannot stop, but action can move faster, and confidence comes from speed. Designed for the outdoors, it is lightweight, vehicle ready, and easy to use, making it a reliable guardian on every journey.

600D TPU material with IPX7 waterproof protection.

600D waterproof TPU material offers excellent water resistance, dust protection, and abrasion durability. Whether facing rain, mud, or harsh outdoor conditions, it effectively shields against external elements and keeps the contents dry.

*IPX7 is an international protection rating meaning the device can be submerged in up to 39.4 inch of water for 30 min without damage.

Quick pull hook and loop fastener, separates in 1s.

The QUICK Vehicle First Aid Organizer features quick-release hook and loop fasteners inside and out. The outside secures items, while the inside keeps supplies organized for fast access. In an emergency, just pull and grab what you need.

Multi-layer 3D storage system for faster access.

The QUICK Vehicle First Aid Organizer uses a multi-layer storage design with separate zones for each item, making it easy to find what you need. The modular layout helps you quickly locate supplies in an emergency, reducing panic and ensuring efficient, accurate first aid.

► Vehicle Use Scenarios

Multi-functional attachment points and a headrest mount make it easy to secure in the vehicle or outside. It can hang from the headrest, sit on the passenger seat, or attach to a pickup without taking up extra space.

BRAND MERCHANDISE

Brand Merchandise

ARCANE WARRIOR brand merchandise extends our culture and connects us with our fans. Each item carries the brand story and values, using quality craftsmanship and unique design to bring ARCANE WARRIOR spirit into everyday life. From apparel to daily essentials, every piece reflects our charm and emotion, letting you enjoy quality living while embracing the brave spirit of exploring the world.

AW SUNGLASSES

ARCANE WARRIOR Sunglasses Gift Set

The classic square frame features clean, sharp lines that suit all face shapes and styles. It flatters round, square, and long faces while highlighting your personality. The high-definition polarized lenses block glare, stray light, and harmful UV rays for clearer vision and less eye fatigue, whether driving, outdoors, or in bright sunlight.

Hot stamped logo

Understated luxury that reflects quality.

Yellow and black two-tone color scheme.

Bold, eye-catching, and full of personality.

Details determine the frame's lifespan.

The temple arms go through 14 precision steps, and the chain-link structure has passed thousands of open and close cycles. The frame is cut from a single premium sheet, and the anti-slip layer exceeds national wear standards, ensuring long-lasting use without loosening.

VOLTUS Energy Lightning Collaboration Series

LIMITED REAR DECAL

Energy Lightning Limited Edition Rear Wrap

ARCANE WARRIOR is launching the new Voltus Energy Lightning merchandise series, blending outdoor spirit with innovative design to ignite your passion for exploration. The collection carries our unique outdoor stories, and more new products will be released soon to meet our supporters' expectations.

Premium feel, effortlessly versatile.

Available in three classic black and white color options, designed for strong versatility across vehicle types. Whether sedan, SUV, or wagon, it matches body lines and adds a unique visual style and personality.

Eco-friendly leader with durable PVC material.

Made from high-quality PVC, it offers excellent stability, corrosion resistance, and UV protection without fading. The sticker stays stable through temperature changes, resisting warping and cracking. This eco-friendly material is non-toxic and odorless, making it safe and reliable.

High-precision engraving for a seamless, detailed fit.

High-precision engraving gives a premium feel, making every lightning-themed trip a highlight. Multiple processes ensure the lines, contours, and details meet high standards. Precise engraving improves the decal's fit to the vehicle body, reducing gaps and wrinkles from size deviation.

► Each color has a unique design concept.

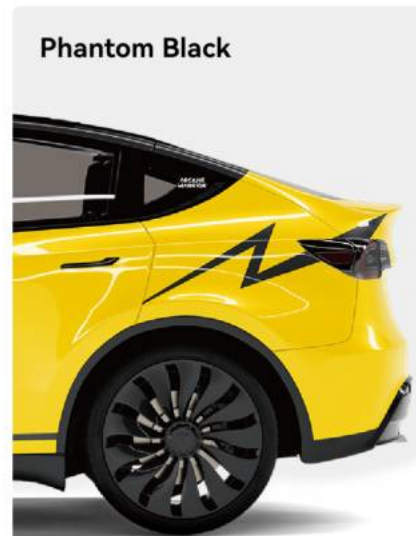

Choose Snowfield White, Dawn Yellow, or Phantom Black, simple but standout.

TRAVEL TUMBLER

TRAVEL BOTTLE Tumbler

TRAVEL BOTTLE Tumbler is a custom all-weather temperature guardian for car and outdoor adventures. Its double-wall vacuum design and copper-plated inner lining block external temperature changes for long-lasting insulation. Made from high-quality austenitic stainless steel, it is safe and reliable with a tight seal that withstands bumps. Whether on the road or at camp, it keeps your drink pure and steady. AW craftsmanship ensures you can enjoy temperature freedom on every journey.

One cup, always with you, temperature freedom.

The double-wall vacuum design blocks heat transfer for long-lasting temperature retention. The copper-plated inner layer boosts insulation and reduces heat loss. Keeps drinks hot at 158°F for 6 hours and cold at 34.9°F for 24 hours.

High-quality austenitic stainless steel for safe and reliable use.

We use 18/8 stainless steel that meets international standards, offering excellent heat and corrosion resistance. It is safe for contact with food and beverages and poses no health risks.

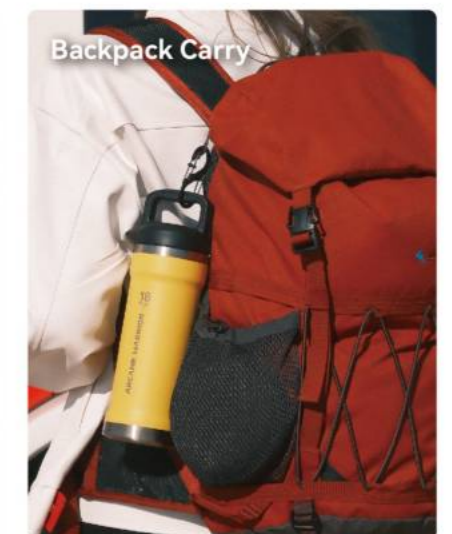

360° sealing ring, leak proof.

This tumbler uses baby-safe silicone seals for a tight fit and excellent leak protection. The threaded lock creates a secure connection when tightened, preventing any leaks.

► Multi-Scenario Compatibility

Vehicle carry, backpack, or hand carry, easy to switch for all outdoor scenarios.

► ULTRA RIDGE Truck Rack

Name	Specifications
ULTRA RIDGE™ Truck rear rack-HIGH Ver. (car with truck bed cover/AL)	Mount:418*252*360mm(Adjustable Height 360-520mm) Mount Material:Die-Cast Aluminum / Extruded Aluminum / High-Strength Injection-Molded Nylon Crossbar Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Weight:25kg(4 pieces) AL/Size:1665*106*43mm AL/Weight:12kg(2pcs)
ULTRA RIDGE™ Truck rear rack-HIGH Ver. (car with truck bed cover/AXL)	Mount:418*252*360mm(Adjustable Height 360-520mm) Mount Material:Die-Cast Aluminum / Extruded Aluminum / High-Strength Injection-Molded Nylon Crossbar Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Weight:25kg(4 pieces) AXL/Size:1780*106*43mm AXL/Weight:12.9kg(2pcs)
ULTRA RIDGE™ Truck rear rack-MID Ver. (car with truck bed cover/AL)	Mount:418*227*225mm Crossbar Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Crossbar Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Weight:25kg(4 pieces) AL/Size:1665*106*43mm AL/Weight:12kg(2pcs)
ULTRA RIDGE™ Truck rear rack-MID Ver. (car with truck bed cover/AXL)	Mount:418*227*225mm Crossbar Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Crossbar Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Weight:25kg(4 pieces) AXL/Size:1780*106*43mm AXL/Weight:12.9kg(2pcs)
ULTRA RIDGE Exclusive Pickup Truck Roof Rack – L Version	Frame size:1500*1400*66mm Load capacity:140Kg Weight:19.5Kg
ULTRA RIDGE Pickup Truck Rear Cabin Roll-Up Cover(KOSTA Co-branding Manual Model)	Size:785*74*48mm Material:Die-Cast Aluminum / High-Strength Injection-Molded Nylon Weight:6.8kg(2pcs)

► Side Window Storage Box

Name	Specifications
Side Window Storage Box	Size:636*437*162mm Weight:Approx.10Kg Material:PA+15%GF、PC+ASA、Zinc Alloy、PA、6063 Aluminum Alloy / 3mm Carbon Steel Capacity:Approx.15L
Side Window Storage Box Pro	Size:636*437*162mm Weight:Approx.12Kg Material:PA+15%GF、PC+ASA、Zinc Alloy、PA、6063 Aluminum Alloy / 3mm Carbon Steel Capacity:Approx.15L
Side Window Storage Box-Outer Plate	Material:6063 Aluminum Alloy

► CROSSING Side Window Ladder

Name	Specifications
CROSSING Side Window Ladder	Storage size:651*500*140mm Developed size:1075*500*140mm Product Process:Housing: ADC-12 Die-Cast Aluminum / Other Parts: 6063-T5 Extruded Aluminum Lead capacity:Approx.150Kg Weight:Approx.12Kg

► TANDRIX Dual-Wheel Vehicle Bike Rack

Name	Specifications
TANDRIX Dual-Wheel Vehicle Bike Rack	Storage size:1518*150*118mm Developed size:1702*772*150mm Extruded Aluminum:Bracket Material: Steel Tube / Sheet Metal Material: 430 Stainless Steel Load capacity:Approx.24Kg Weight:Approx.5.9Kg

► REVOLVE PIVOT MASTER X90 Roof Rack Ladder

Name	Specifications
REVOLVE PIVOT MASTER X90 Roof Rack Ladder(S-AIR)	Closed Size:1632*95*167mm Load capacity:150Kg Compatible Vehicles:SUV Extension Adjustment Positions:Approx.1726mm、1826mm、1926mm、2026mm Material:ADC-12 Die-Cast Aluminum Alloy / 6063-T5 Extruded Aluminum / 6063-T5 Forged Aluminum Weight:Approx.13.7Kg Rotating Gas Strut Assisted: - Compatible Vehicle Height:1.65-1.95m
REVOLVE PIVOT MASTER X90 Roof Rack Ladder(S)	Closed Size:1632*95*167mm Load capacity:150Kg Compatible Vehicles:SUV Extension Adjustment Positions:Approx.11726mm、1826mm、1926mm、2026mm Material:ADC-12 Die-Cast Aluminum Alloy / 6063-T5 Extruded Aluminum / 6063-T5 Forged Aluminum Weight:Approx.13.85Kg Rotating Gas Strut Assisted: ✓ Compatible Vehicle Height:1.65-1.95m
REVOLVE PIVOT MASTER X90 Roof Rack Ladder(M)	Closed Size:1681*114*172 mm Load capacity:150Kg Compatible Vehicles:SUV/Off-Roader Extension Adjustment Positions:Approx.1730mm、1830mm、1930mm、2030mm Material:ADC-12 Die-Cast Aluminum Alloy / 6063-T5 Extruded Aluminum / 6063-T5 Forged Aluminum Weight:Approx.14.25Kg Rotating Gas Strut Assisted: - Compatible Vehicle Height:1.75-2.05m
REVOLVE PIVOT MASTER X90 Roof Rack Ladder(L)	Closed Size:1789*114*172mm Load capacity:150Kg Compatible Vehicles:Full-Size Off-Roader Extension Adjustment Positions:Approx.2040mm、2140mm、2240mm、2340mm Material:ADC-12 Die-Cast Aluminum Alloy / 6063-T5 Extruded Aluminum / 6063-T5 Forged Aluminum Weight:Approx.15Kg Rotating Gas Strut Assisted: - Compatible Vehicle Height:1.75-2.25m

► Roof Rack Accessories

Name	Specifications	
REVOLVE Quick-Release Bracket Pro Edition	Single Bracket Size:148*122*120mm Set Weight (2 Brackets):Approx.2.4Kg	Material:Aluminum Alloy Load capacity:150Kg
Rear ladder	Frame size:224*1496*300mm N.W.:12.4Kg	Installation location:Tailgate Compatible with Volkswagen Caravelle and Multivan Only.
Spoiler 01	Compatible with STORM Roof Rack Only. Frame size:1000*310*95mm N.W.:0.95Kg	Material:PMMA Acrylic
Spoiler 02	Compatible with STORM Roof Rack Only. Frame size:1065*193*60mm N.W.:0.63Kg	Material:PMMA Acrylic
Spoiler 03	Compatible with STORM Roof Rack Only. Frame size:1130*340*110mm N.W.:1.2Kg	Material:PMMA Acrylic
Spoiler 04	Compatible with VIZOR Roof Crossbars Only. Frame size:1172*155*43mm N.W.:0.91Kg	Material:PMMA Acrylic
Spoiler 05	Compatible with VIZOR Roof Crossbars Only. Frame size:984*154*45mm N.W.:0.82Kg	Material:PMMA Acrylic
Ring Bolts 1 Pair (2 pcs)	Frame size:44*20*62mm N.W.:0.064Kg	Package size:144*127*34mm Material:SUS304 Stainless Steel
Ring Bolt PRO 1 Pair (2 Pieces)	Frame size:44*20*94mm N.W.:0.08Kg	Package size:144*127*34mm Material:SUS305 Stainless Steel
Tension Ropes 1 Pair (2 Pieces)	Frame size:3m N.W.:0.5Kg	Package size:200*140*40mm Material:Nylon Webbing + Steel Strap
Spotlight Brackets 1 Pair (2 Pieces)	Frame size:156*139*89mm N.W.:0.43Kg	Package size:228*212*80mm Material:4.5mm Thick Steel
Spotlight bracket pro	Frame size:1026*145*76mm N.W.:2.4Kg Compatible models:Tank 300, Land Rover Discovery 4, Land Rover Discovery 5, Porsche Cayenne, BMW X5	Package size:1063*275*64mm Material:Aluminum Alloy + 4.5 mm Steel Plate
Side Awning Brackets 1 Pair (2 Pieces)	Frame size:221.3*42*75.5mm N.W.:0.44Kg	Package size:276*192*46mm Material:4.5mm Thick Steel
Side Light Brackets 1 Pair (2 Pieces)	Frame size:41*170*23mm N.W.:0.23Kg	Package size:250*100*60mm Material:4.5mm Thick Steel
Corner Brackets 1 Pair (2 Pieces)	Frame size:129*90*55mm N.W.:0.32Kg	Package size:235*162*58mm Material:3.0mm Thick Steel
Oil drum holder	Frame size:140*106*200mm N.W.:0.36Kg N.W.:1 Set of 4 Pieces	Package size:360*330*110mm Material:4 mm Thick Aluminum Alloy
Flagpole bracket	Frame size:252*60*55mm N.W.:0.7Kg	Flagpole Diameter: ϕ 24- ϕ 30mm Material:Aluminum Alloy

Roof Rack Expansion Kit-AIR	Corner Brackets x 2 Pairs Tension Rope x 1 Pair	Ring Bolts x 2 Pairs
Roof Rack Expansion Kit-PRO	Corner Brackets x 2 Pairs Tension Ropes x 2 Pairs	Ring Bolts x 6 Pairs
Roof Rack Expansion Kit-MAX	Corner Brackets x 4 Pairs Tension Ropes x 2 Pairs Side Light Brackets x 1 Pair Gas Can Bracket x 1 Set	Ring Bolts x 4 Pairs Ring Bolt PRO x 1 Pair Spotlight Brackets x 1 Pair
Side Mount Bracket (For Roof Crossbar Version)	Frame size:252*60*55mm Weight:Approx.2.4 kg / Pair	Material:Carbon Steel
